

# *SPIRIT OF SOCCER PROGRAM*

## *METRO EAST POWER HAUS*

### *COLUMBIA IL*

#### *METRO EAST POWER HAUS IS DEDICATED TO CYC/ CYO SOCCER:*

We are committed to the growth of youth soccer in the St Louis and Metro East area. Through the years we have discovered that CYO and CYC are a huge part of recreational soccer in our area. In an effort to foster our relationships with the local CYC, CYO parish programs we started our Spirit of Soccer program. It gives us great pride to know that we have donated over 5,000 dollars to local youth soccer programs through Spirit of Soccer.

#### *HERE IS HOW IT WORKS:*

Metro East Power Haus will donate 25.00 dollars to the parish CYC/CYO fund for each team that registers and play's in the Fall or Winter soccer program with us. Your athletic committee is free to use the money for whatever their particular need is; fields, uniforms, equipment or any other soccer related expense. Each team will also receive 150 tickets that the players can use during the session at one of our concession areas.

#### *WHAT WE NEED FROM YOU:*

To be a participating Parish, Metro East Power Haus will need a list of all the teams coach's. At the time of registration each coach will be given a receipt of payment to submit to the parish CYO/CYC. We will then mail a check of the total due to the parish CYO/CYC within two weeks after the soccer session begins.
